Personal Protection Equipment

There is an ever-increasing need for the right quality and proper Personal Protection Equipment (PPE) in a Country. We have been very active and keen to provide the right PPE to Construction Companies, Factories, Facility Management and Labour Supply Companies. A part of our own created and registered Brand SAFEX we also cater brands i.e. CANASAFE, 3M , ANSELL, Vaultex, Miller, Honeywell, MSA, and BW Technologies to give a wide choice to customers. Our range of Safety footwear, Head protection, Eyewear, Respirators, Hearing Protection and Fall Protection are designed ergonomically and also to suit the local environment. The demographics & fashion at the same time do not compromise on the safety standards which meet the standards set by CE or ANSI/CSA.

Go Lyte - The Hydration Drink

Looking and heat weather and care for workers we added in our product family Hydration drink calling it GO-LYTE, this is a very unique and amazing product with a crisp, clean taste and just the right amount of sweetness, the Go-LYTE hydration drink is made with all-natural ingredients, including electrolytes, vitamins, and minerals to help replenish and rejuvenate your body after a long day in the sun. So don't let the summer heat get the best of you. Stay cool, stay hydrated, and enjoy the season with GO-LYTE, try it today and see what a difference it can make in your summer experience!

The electrolyte and complex carbohydrates in the GO- LYTE help rapid absorption to prevent the effect of dehydration on health and performance, especially for outdoor construction workers. Maintaining different size options to suit all the needs and ready stock with three different flavours with a shelf life of 2 years, one of the finest and real competitive products in the line.
